Level 1

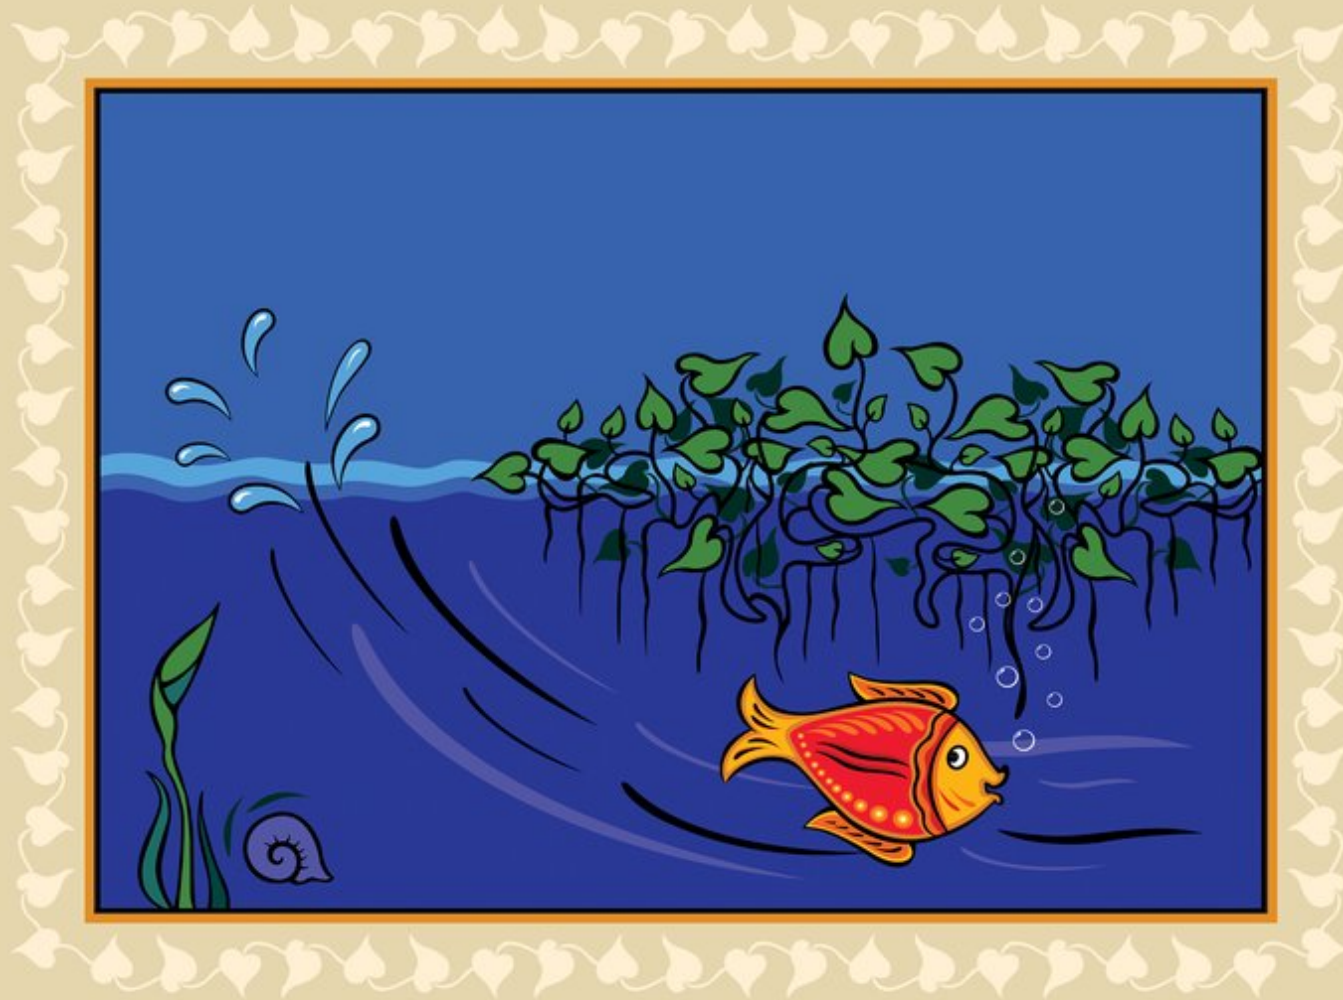

Once upon a time there lived three fish in a pond. They were good friends.

Once, a fisherman came fishing.

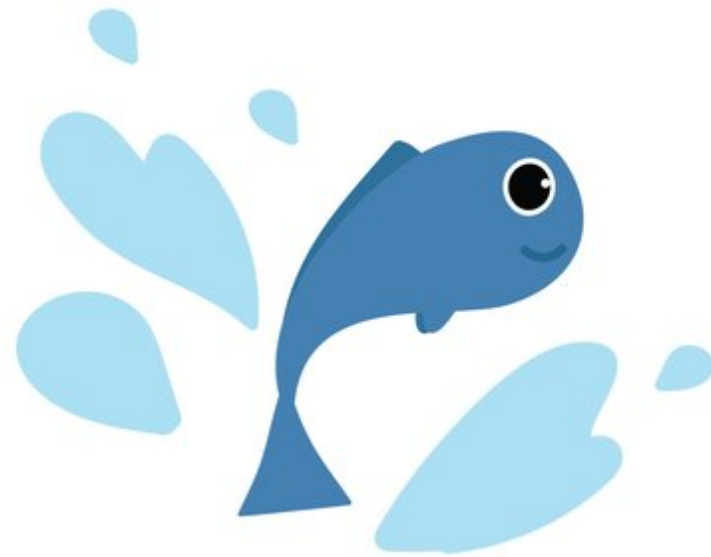

The wise fish told the other two, "We should leave this pond now. Or else, the fisherman will catch us." The other two replied, "We will not leave the pond in haste."

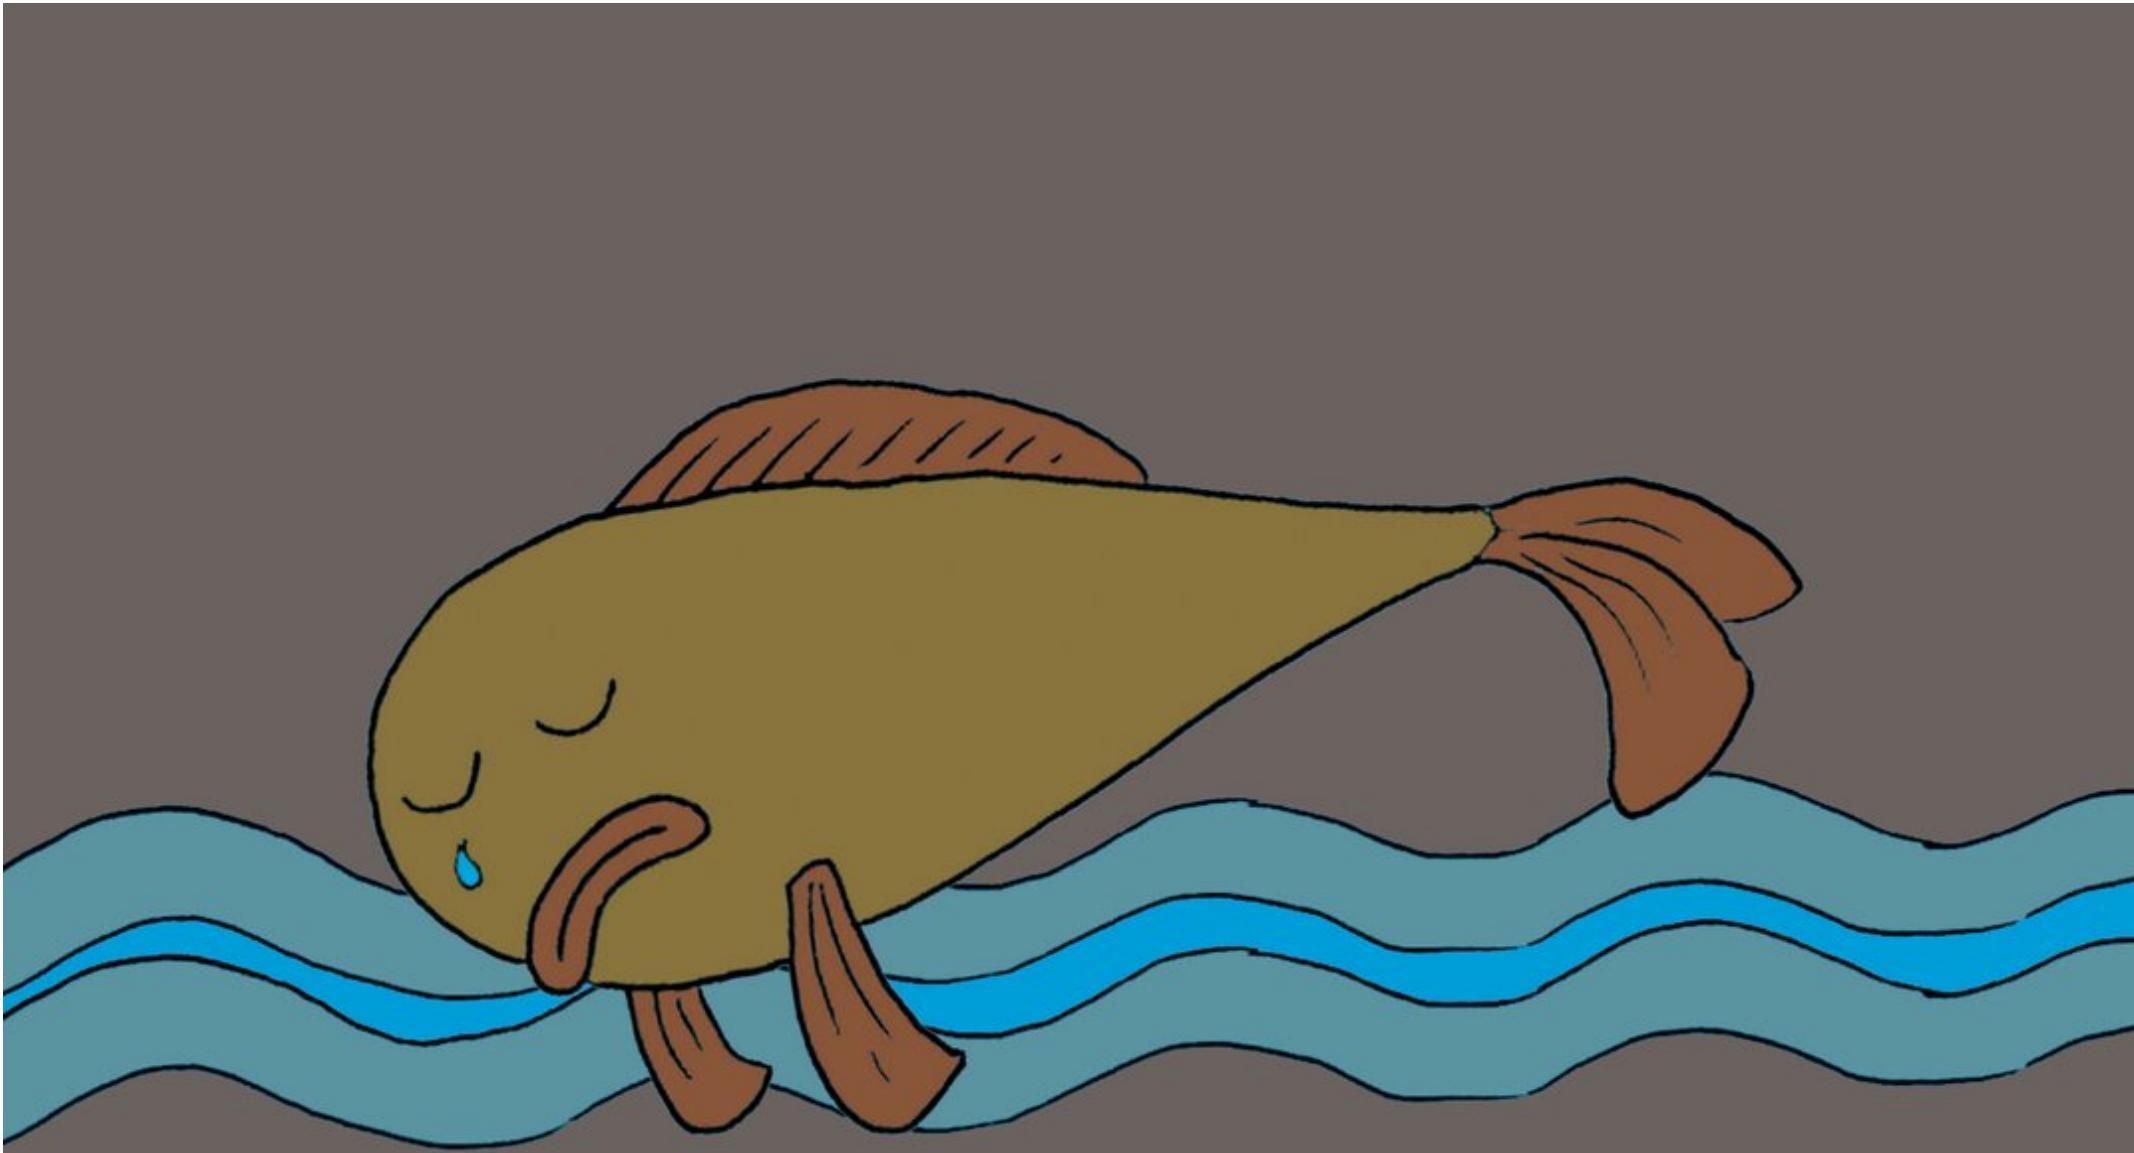

Then, the wise fish left the pond alone.

Soon, the fisherman cast his net.

Just then, the second fish jumped out of the net and saved itself.

The fisherman caught the lazy third fish.

Thus, lazy perishes and wise succeeds.
